**“A Bill to Alter Presidential Responsibilities”**

Whereas: Intercom is a concentrated group of student leaders from diverse areas of campus that collectively represent a multitude of student perspectives in a think-tank like format, and

Whereas: The meetings are primarily self-guided by the group as a whole as well as by Student Affairs, and

Whereas: The President of the Student Body has served historically in a largely ceremonial role as Chair of Intercom, and

Whereas: Intercom is adopting a new structure that no longer calls for the President of the Student Body to lead its meetings, therefore

Let it be enacted by the House of Student Representatives at Texas Christian University:

- (1) Title 3, Chapter 2, section 201, subsection (a), points (i) and (ii) of the Student Body Code read as follows:
